

- Improved written and verbal skills providing basic one on one help with math, science and biology homework assigned up to a grade 11 curriculum level
- Motivate students to study material by stimulating interest in math and science on a personal level
- Cater to injuries that prevent students from sitting for long periods of time, and from attending school (flexible and caring towards student's needs)
- Possesses personal motivation and curiosity in all science and math related fields
- Developed skills on different platforms to provide the most effective and personalized program for the student (using technology to learn)

Farm Sales Assistant: September 2015-September 2016, Battle Creek Garlic

- Developed a strong work ethic planting, harvest, process, and braid large quantities of garlic to be sold at multiple garlic festivals
- Possess knowledge of the life cycle of garlic and the environmental factors that aids their growth
- Follow directives with and without supervision, while maintaining the integrity of the product
- Interact with large groups of people in a friendly and enthusiastic manner
- Provide expert advice for customers with limited knowledge on the varieties of garlic and their tastes/uses
- Keep track of inventory of over 15 types of garlic and restock sold varieties

VOLUNTEER EXPERIENCE

President of Student's Council: September 2015-January 2016, Almonte and District High School

- Communicate the council's plans with a variety of stakeholders in the school's wellbeing including teachers, principals, members of the community, and parents
- Answer and explain the logic behind the decisions made by the council
- Direct meetings and provide an agenda for the executive and general members to discuss each week
- Organize and delegate tasks to ensure all initiatives run smoothly
- Consider and listen to the needs and wants of the entire school, while remaining non-partisan towards any one person or group of people
- Diffusing tensions when there are disagreements between members and finding a common middle ground

Tech Officer on Student's Council: September 2015-present

- Utilize a technical sound system
- Ensure all material is available and presentable for school assemblies
- Plan tech rehearsals and specific details of assemblies
- Work alongside students and teachers, and communicate my needs as tech officer, while accommodating others using problem solving skills
- Operate under the pressure of a live show
- Attend school play rehearsals
