Delivery
Delivery includes the cost of delivering natural gas to you through our distribution system.

Price adjustments
Price adjustments are credits or charges that make up the difference between certain forecast costs and actual costs.

Monthly charge
This set amount is charged to each customer regardless of the amount of gas used. It helps cover the cost of maintaining a safe and reliable gas distribution system, and includes meter reading, customer service and 24-hour emergency response.

Federal carbon charge
The federal carbon charge on this bill relates to the federal carbon pricing program. See uniongas.com/carboncharge for details.

Call before you dig
Remember to call before you dig. Contact Ontario One Call at on1call.com or 1-800-400-2255 for free underground utility locates.

Payment options

Total payment is now due. Non-payment may result in the disconnection of your gas service.

Here are your payment options:

- Pre-Authorized Payment from your chequing account
- Pay online at your financial institution's website
- Mail your cheque and the bottom portion of this bill to the address on the bill stub
- In person at your financial institution
